Revenue Statistics for August 1921.

SIR,

With reference to your letter No.Fl.C.84 dated 12th October 1921, I have the honor to state that the Mining Revenue receipts during August 1921 represent only realisations in India on account of royalty on 25 per cent of gold produced in May 1921. Royalty on the remaining 75 per cent sold in London under the new arrangement for sale of gold which has effect for production from May 1921 was paid in London in September 1921. This accounts for the low revenue in August 1921.

I have the honor to be,
Sir,
Your most obedient servant,

T Satyaraj Chetty

SIR,

With reference to your letter No.Fl.3378/C.A.1-21-7 dated the 5th January 1921 re. certain variations noticed in the Statements of Revenue Statistics for November 1921 under Forest, Mining Revenue and Electrical Revenue, I have the honour to state as follows:-

The Conservator of Forests has been written to, to explain the increase under Forest Revenue. The receipts of 1,25 during November 1921 under Mining Revenue is normal. There was no receipt during November 1920 on account of Royalty on gold sold as the question of payment of the whole amount of Royalty in India was then under consideration. The total receipts to end of November is 5,51 and not 8,03 as entered in the statement the error being due to the receipts during September viz. 74 being read as 3,26. The mistake is regretted. The collections from December 1920 onwards were regular. The small increase under Electrical Revenue is due to fluctuations in Exchange rat

I have the honour to be,
Sir,
Your most obedient servant,
T. Satyaraj Chetty

SIR,

With reference to your letter No.3628/C.A.1-21-10 dated 24 January 1922 pointing out certain variations in the Revenue Statistics for "Excise" and "Mining Revenue", I have the honor to state that the reasons for the variations under "Excise" is explained as follows by the Excise Commissioner:-

Decreased realisations on account of fall in consumption due to the effects of Non-Co-operation movement as well as to the seasonal conditions.

The collection of the current demand under rentals is not also brisk owing to the above causes.

2. The increase under "Mining Revenue" is due to rise in the rupee value of the sterling as well as rise in the price of Gold.

I have the honor to be,
Sir,
Your most obedient servant,

T Satyaraj Chetty

Comptroller.

=======

With reference to your letter No.802/6221, calling for explanation for the appreciable improvement in the realisations under - "Forests" during November 1921, I have the honor to note below the revenue realised under various heads during the corresponding periods from which it is made out that the excess realisation is under 1 (d) Sandal and Minor Forest Produce. The reason for this increase is due to adjustment of bills by issue of cheques by the Director in one batch for the supply of sandalwood to the Sandal Oil Factory and the recovery of the arrears due from the Minor Forest Produce Contractors.
